## 2015 Farmer Training Registration Update

### Vendor Demographics

**Business Name:**

**Vendor No.**

**Address:**

**Farmer Name:**

**Ph:**

**E-mail:**

Please choose the training that will best suit your needs. Note that the last available trainings are in March. If there are no registered participants by 1 week preceding the date of the training, that training session will be cancelled. It is important to register at least 1 week prior to the training date (2 weeks, if telephone training).

Farmer WIC Application, due by February 28th
